

THE GUARDIANSHIP AND ADMINISTRATION SYSTEM A SEMINAR FOR HEALTH PROFESSIONALS

- Are you able to assist adults who want to plan for their future?
- Do you know how enduring powers of attorney, enduring powers of guardianship and advance health directives should operate and how they can protect people into the future?
- Do you know the difference between guardians, enduring guardians, administrators and attorneys?
- Are you familiar with the different roles of the State Administrative Tribunal, and the Office of the Public Advocate?
- Do you know what options could be explored before applying to the State Administrative Tribunal for the appointment of a guardian or administrator?
- Do you know when an application for a guardian or administrator might be needed?

These **free** sessions are presented by experienced staff from the State Administrative Tribunal and the Office of the Public Advocate. All sessions are held at the State Administrative Tribunal, 565 Hay Street, Perth. Registration 15 minutes prior to session start time on level 6.
